

CODEXTRAIL

Read & Learn

Turn a heritage visit into an adventure.

Explore sixteen heritage sites across Adana and Mersin through stories, photographs and playful challenges. CodexTrail brings local heritage to your phone or tablet, in English, Turkish and Italian.

Read & Learn at the Ferdi Tayfur Museum.
In-game view from the promotional video.

A story at every stop

Meet the places and people behind the heritage. Read a site's story, browse its gallery, then put what you have discovered into play.

16 heritage sites

CHOOSE YOUR ROUTE

Find your next story

The Explorer Hub brings the experience together. Browse the collection, find a place on the map or scan a site's QR code when you arrive.

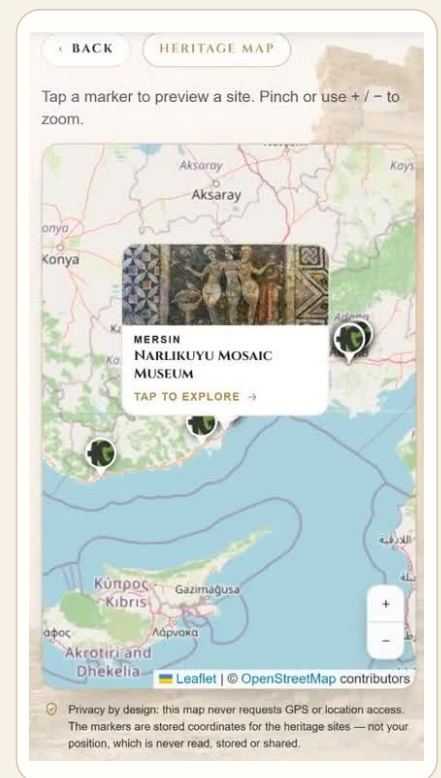

01 Explorer Hub

Start with Discover, Codex, Arena, the map or your progress.

02 The Codex

Browse heritage sites by their names, cities and photographs.

03 The map

See the sites together and tap a marker to open its preview.

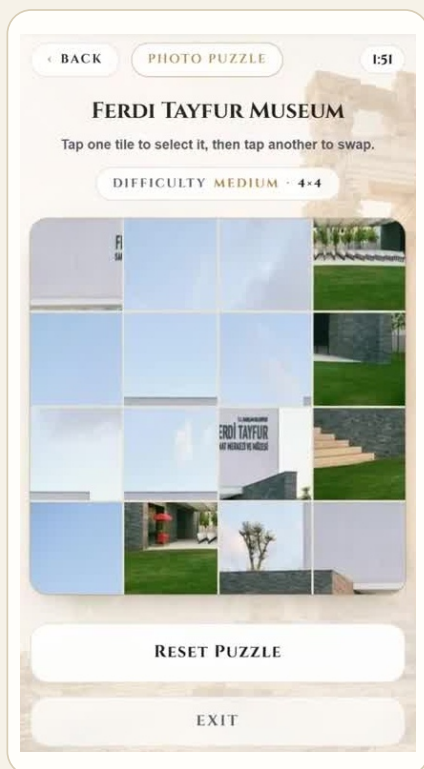

DISCOVER ON LOCATION

At a heritage site, choose Discover and scan its QR code to open the corresponding experience. You can also choose a destination directly from the Codex.

LEARN BY DOING

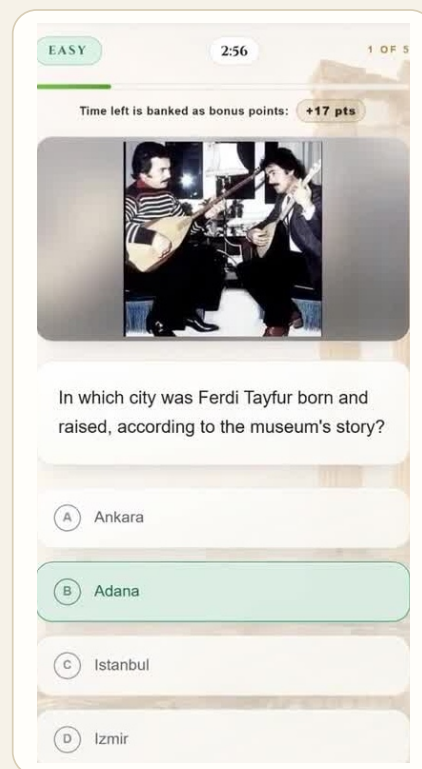

Read. Play. Remember.

Each site combines its story with challenges that help you look more closely and remember what you have learned.

Rebuild the photograph

Choose a puzzle difficulty, then tap two tiles to swap them. Recreate the site's photograph before the timer runs out.

Test your knowledge

Work through easy, medium and hard quiz tiers. Correct answers earn points, with a bonus for the time remaining.

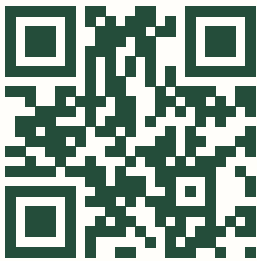

MORE WAYS TO PLAY

The Arena brings sites together: match photographs to places in Photo Match, or keep a question streak going in Chain. Leaderboards and badges let you follow your progress and see how your score compares.
